Permits and Facilities Services

The Houston Parks and Recreation Department has many different venues available for rental, whether you are planning a wedding, a family or a neighborhood event. An area or facility within a park may be reserved for personal use for private events by obtaining a permit through the HPARD Permits Office for a fee and refundable deposit. This permit ensures the exclusive use of the designated space for a designated time frame.

Sports field rentals and reservations, with all the amenities, are also available year round at nominal fees for weekdays and weekends. When planning your event it is very important to contact the Permits Office as early as possible to receive the most current information on the park or facility of your choice.

Brock Park Golf Course

Welcome to Houston's "Best Kept Secret," Brock Park Golf Course, quietly tucked in northeast Houston, far from the noise, but less than 20 minutes from downtown.

Brock Park is managed and maintained by the Houston Parks and Recreation Department's golf operations staff. This tree-lined course has been one of the City's fine municipal courses since 1972. Brock plays to 6,427 yards with elevation changes unlike most courses in the area. It combines risk and reward on many holes, and requires good shot selection and execution on others.

Greens Bayou comes into play on four holes, and creeks cross four others. Good scores can be found at Brock, provided you stay out of the trees! A driving range is available for practice or for warming up. Additional practice areas include a putting green, chipping green, and practice bunker. The pro shop staff is available for lessons. Tee times are available on weekends and holidays. Brock Park is a non-metal spike facility with a fully stocked pro shop and snack bar.

Sharpstown

Welcome to Houston's "Best Golfing Value." Sharpstown Golf Course has earned this reputation by providing outstanding customer service and excellent facility

conditions, while offering some of the lowest fees in the gulf coast area. Sharpstown Golf Course is located in the heart of southwest Houston, one mile west of Hwy 59 and just one block north of Bellaire Blvd. on Harbor Town Drive. Sharpstown's convenient location allows for quick access from anywhere in the greater Houston area.

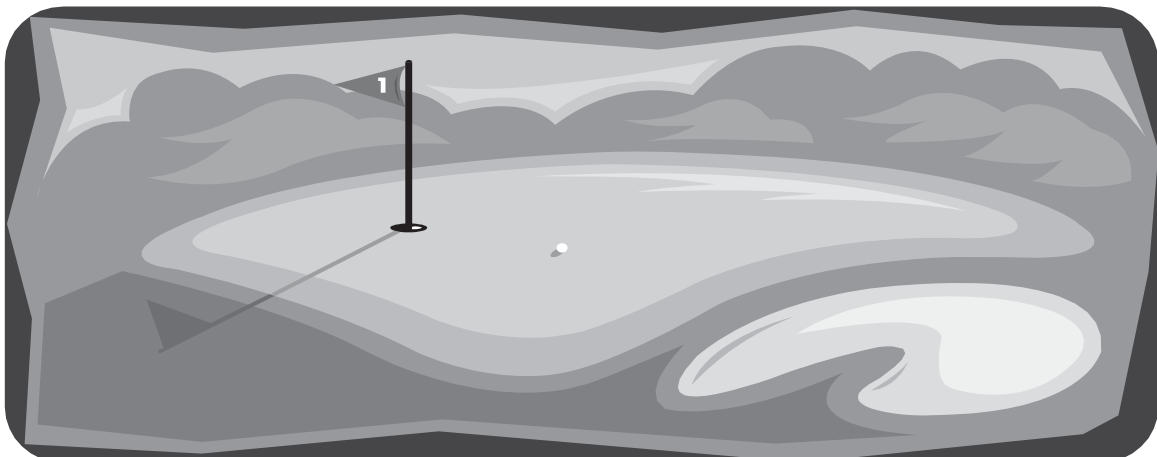

Recent improvements at Sharpstown include new cart paths, improved drainage, and reconstructed bunkers, tees and lakes. Public Golf Courses

Memorial Park Golf Course

In July of 1936, the first ball was teed off on what architect John Bredemus called his "greatest golf course ever." Through the years, Memorial Park Golf Course hosted many famous golfers such as Babe Didrikson

Zaharias, Jack Nicklaus, Arnold Palmer, Jimmy Demaret and Charles Sifford. It was also the home of the Houston Open from 1951 to 1963.

In 1995, the newly renovated 260-acre course opened with a lighted driving range, putting and chipping greens, a beautiful new clubhouse facility and a Beck's Prime restaurant.

Today, Memorial Park Golf Course is known as one of the best municipal courses in the nation and is visited by more than 60,000 patrons each year. Houston is proud to call Memorial Park Golf Course the crown jewel of Memorial Park.

Gus Wortham Park Golf Course is situated along Brays Bayou in south-central Houston. One of only four golf courses "inside the Loop", Wortham is managed and maintained by Parks and Recreation Golf Operations staff.

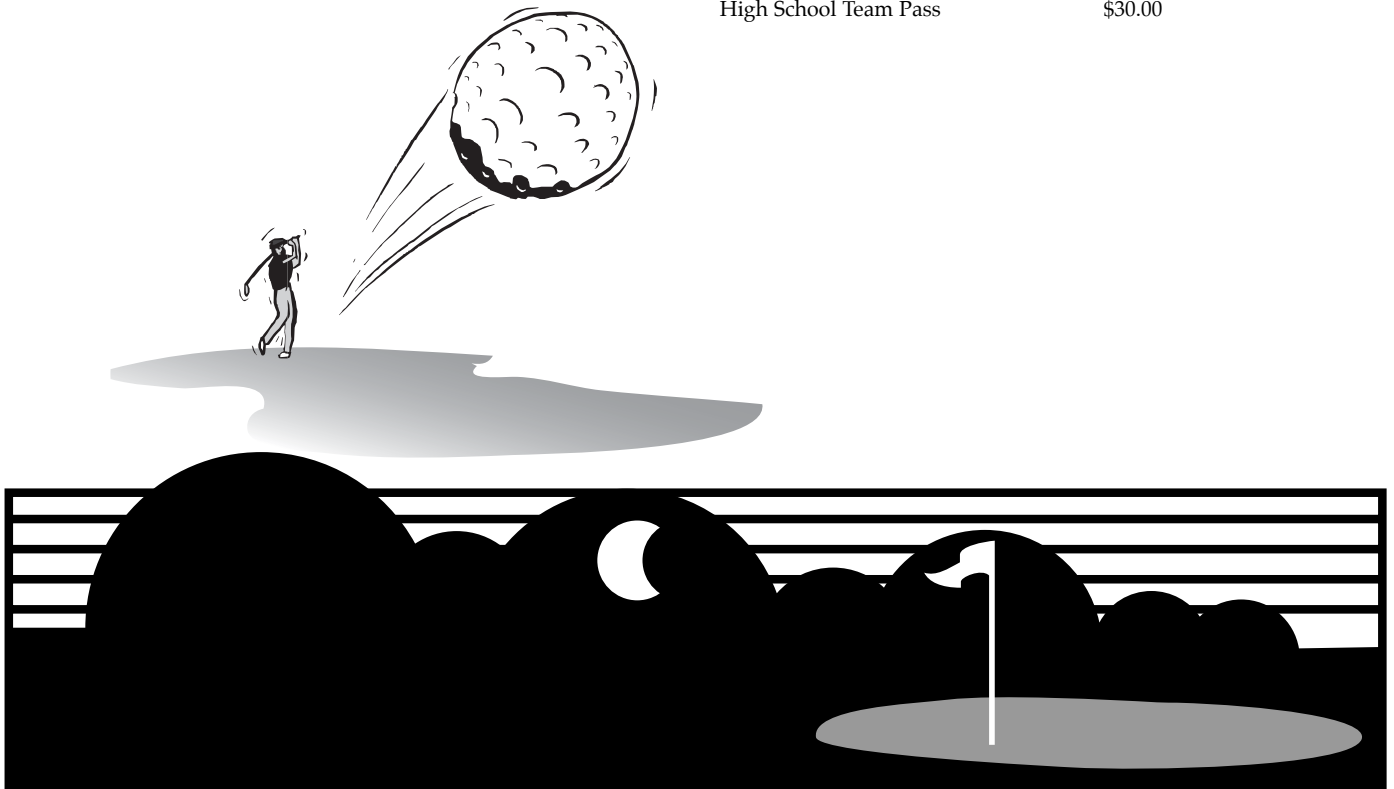

Gus Wortham provides challenges not regularly found in Houston. Elevated tees and uphill carries to greens make you use all your clubs. The course is relatively wide open, making it attractive for all levels of golfers. The front nine features three consecutive par five holes, two of which you may want to go for in two. Your shot-making skills will be tested on several of the "short but challenging" par fours.

A full driving range is available for practice or warming up. Additional practice areas include a putting green, chipping green, and practice bunker. The pro shop staff is available for lessons. Tee times are available on weekends and holidays.
